Intro Dm Bb F Fadd9 x2

Verse (4 beats on each chord)

Dm	Bb	F	Fadd9
Come up to meet you,	tell you I'm sorry,	you don't know how lovely you are	
Dm	Bb	F	Fadd9
I had to find you,	tell you I need you,	and tell you I set you apart	
Dm	Bb	F	Fadd9
Tell me your secrets,	and nurse me your questions,	let's go back to the start	
Dm	Bb	F	Fadd9
Running in circles,	coming in tails,	heads on a science apart	

Chorus

Bb				
Nobody said it was easy				
F	Fadd9			
It's such a shame for us to part				
Bb				
Nobody said it was easy				
F	Fadd9	C/G		
No one ever said it would be this hard				
	F	Bb	F	F
Oh take me back to the start				

Verse

I was just guessing at numbers and figures, pulling the puzzles apart
Questions of science, science and progress, do not speak as loud as my heart
And tell me you love me, come back and haunt me, Oh and I rush to the start
Running in circles, chasing tails, Coming back as we are

Chorus

Notes: The tuning of this song is called "tuning in perfect fourths" because each string is tuned a perfect fourth apart.
